To Whom it may Concern,

Tracey Hellman worked at WCR as a Marketing Manager for two and a half years and had diverse responsibilities and worked on various projects.

Tracey is bright, articulate, extremely organized, hard-working, reliable and has superb communication skills. Her enthusiasm for her job comes through in all she does. She was a pleasure to work with, she is flexible and willing to work on any project that is assigned to her. I am confident she will devote herself with a high degree of diligence.

I highly recommend Tracey for any job she is being considered for as she would be an asset to any organization. If you have further questions about Tracey, please do not hesitate to contact me.
